WORKSHOPS

Together with our partners we are offering regularly workshops: "How do I structure a pitch deck and pitch convincingly?", "What are the crucial parts of an investment agreement?", "How do I get my first cus-

tomers?" Our experts from a wide variety of fields provide valuable insights into the founders' everyday life and answer your questions.

COMPANY BUILDER

Do you have a good idea or want to build a digital product, such as a platform? You need the necessary expertise or resources? The Pitch Club supports you in various fields in exchange for equity.

WORKSHOPS

In our workshops "Live Pitch", "Pitch Content", "Elevator Pitch" or "Pitch Deck", corporates and startups will learn which content is essential when pitching and how you can pitch it in front of an audience (investors, customers, partners, expert jury, conference etc.) effectively and authentically.

"A enthusiastic pitch leads investors to feel the team's passion, to comprehend the client's problem and to understand the business model's core idea. Pitch Club prepared our corporate startup teams with a lot commitment exactly there." André Hedler, Vice President, AE Home of Innovation & Startups, Robert Bosch GmbH
